BRIEF ABSTRACT OF LETTER

[illegible]

NOTES AND ORDERS.

The following note is based on the Rules recommended for Govt sanction:

Rule 4. (1) Badoni. The word "misdirection" seems to be misplaced for "instruction" and this will be collected if applied.

Members (3) Office Bearers: The chief engineer (who is a Govt servant next to the Minister)

NOTES—First Sheet

WD 02552—GPB—5,000—10 7-30

of the Municipality it is proposed to be the Secretary of the Institution; but since the Secretary is the Executive Officer of the Institution, it is for consideration whether ~~it was~~ really ~~with~~ the interests of a non-Official member may not be taken as the key in preference to a Govt servant.

In case the Chief Officer is to be the Secy as proposed, the word Ex-officio will be prefixed to the words Secy of the Institution

Rule 6. (2) The president and the Secy who are Govt servants ~~are~~ proposed to be Trustees of the Institution. Since these Trustees may be held to be personally liable for their actions as such, it is for consideration whether these Govt Officers may be permitted to become Trustees of the Institution.

(3) Board : The modification proposed by the D.C and recommended by the M.C, will be as indicated below

2 members from Dt Board
2 " " M.C
2 " nominated by Govt
2 " elected from Govt Body.

Consistent with this modification and the idea underlining this Rule which is

not quite clear this rule will be altered as follows, if agd

" The Board shall consist of the President the Vice President the Secy, and 9 other Members of whom 7 will be elected and 2 will be nominated as follow:

2 members elected from the Board
2 " " Municipal
2 " " from the Govt Body
2 " nominated by Govt

The last sub para in Rule 6 is proposed by the D.C to be omitted. This will be done if agd.

Rule 7 (a) the words "subject to the approval of the presidents and" will be deleted and replaced by the word "with", if agd

(b) the word "legislation" will be replaced by "Conduct" if agd

(c) There will be only 6 elected Members and not 12 as noted in this rule. In case of Vacancies among these members, fresh elections should be held in accordance to the principle of "Election" in which the Board can not fill up these Vacancies of their own accord except by election. Further we can

Note–Contn. Sheet.

they fill up vacancies occurring (nominated) members who are nominated by Govt
The necessity for this rule is not well made out and it will be deleted if approved
It is not clear whether the appointment of an Honorary Treasurer will be from among the Members of the Board or not. It can not be from among non-Board Members, as otherwise the strength and constitution of the Boards become affected. The words 'from among the members of the Board' may be added if this rule is kept for orders

1) The para 2 of the G.O. dated 21.9.28 the M.C was requested to submit for the approval of Govt, the personnel of the Committee of management of the Institution and not any draft set of rules for its management working. The necessity for giving approval to the draft rules now developed by the M.C is not clear and they will, if appd, be reduced to lines with the intimation that approval of these rules may be left to the new Committee to be constituted and that he may expedite
